Dear Families,

It has been my pleasure and privilege to serve the children of St Lawrence school for the last 5 years. As a school we have seen many changes in that time, but we always held on to our vision and long term plans. The result is a staff team who hold the children at the heart of everything they do.

It has been my absolute delight to come to school every day - I love Sunday nights! The school is in a strong position and ready to go further. The teaching is outstanding, the children are so lucky to have such dedicated staff to guide them into their new learning adventure. I have been so fortunate to have had the support of a strong governing body.

As parents you have been challenging, supportive and above all recognised the intrinsic relationship that we have as partners with your children in creating the right atmosphere where learning, in all its forms, can flourish.

The St Lawrence family of children are so caring and respecting of each other. They embrace life and have made my job such a delight. I shall miss every one of them.

Thank you for taking me into your hearts.

I would like to end on the school prayer which encapsulates everything we strive for at St Lawrence - We are the best we can be!

Loving God -Help us to work together
To look after our school
And to share what we have
so that everyone has what they need
Help us to build a better world
Where each of us is the best person we can be
Mrs Gaskell
