Dear Parents,

This week in school we have been discussing in our worship how we can help others. We have also discussed how we as citizens can also make valuable contributions to the communities that we live in. This came about after attending the village meeting which was held here in school. During the meeting, the villagers were discussing the possibility of buying a defibrillator and installing it somewhere in the village, possibly the phone box. As many of you are no doubt aware, there is an increased awareness of the importance of these machines to be available in public areas and there are many stories of lives being saved by these devices.

In discussion with our school council initially and then the rest of school, the children have decided that they would like to help raise funds which could be put towards the purchase and installation of a defibrillator. In their weekly meeting with myself, the school councillors have discussed some ideas they have collected from their classmates. As a result they, they have decided to hold a mufti day in school on the following dates: Friday 9th February and Friday 23rd March. The Chairman of the village council will be coming into school next week to discuss the matter further with myself and our school councillors.

We were also visited by a Shropshire Star photographer on Monday who took some photos for a feature the paper will be writing about our wonderful school. I have been informed that this should appear in the paper during this coming week. Please look out for it.

May God bless you all and have a lovely weekend.
Mr.Lambie
